WHY HAS THE MISTLETOE CHARITABLE FOUNDATION BEEN ESTABLISHED?

The Mistletoe Charitable Foundation has been established to provide financial assistance for families who cannot afford for their child to experience the outdoor educational programmes at the Mistletoe Bay Eco-Village in the Marlborough Sounds. This experience should be accessible to all children but the costs can be a barrier. We would like to rectify this.

WHAT IS THE FOUNDATION'S PURPOSE?

We will provide financial assistance for New Zealand school-aged youth to have the opportunity to experience the educational, societal and environmental programmes offered by the Mistletoe Bay Trust, thereby enhancing the wellbeing, values and prospects of future generations of New Zealanders.

HOW WILL THIS BE ACHIEVED?

By raising enough capital to allow the Foundation to distribute funds on an annual basis, from interest earned.

WHO IS INVOLVED IN THE FOUNDATION?

The Foundation's Patron is the Hon. Dame Lowell Patria Goddard DNZM, QC. Dame Lowell was a long serving Judge of the High Court of New Zealand and is past Chair of the Independent Inquiry into Child Sexual Abuse in England and Wales and an Expert Member of the United Nations Subcommittee for the Prevention of Torture.

The trustees are Simon Heath (Chair), Bruce Cardwell, Catherine Bell, Brian Moore, Patrick Legget, Sarah Brooks and Kate Gaines.

WHO ARE THE BENEFICIARIES?

Ultimately, the beneficiaries are future generations of New Zealanders.

It is widely recognised that there are a number of under-privileged youth throughout New Zealand with the potential to grow from the learning experiences offered by the Mistletoe Bay Trust. As these young people advance through life, this growth and learning will not be limited to just themselves, but will flow through to have a positive influence amid the lives of all those they live and work with.

WHAT ARE WE ASKING FOR?

To build the sort of capital required, the Foundation needs significant funds. This is where we hope you can help. The more we can raise, the more we will have available each year. And we'd like to point out that your donation is not helping just once, but ongoing, facilitating hundreds of young people to experience the life-changing programmes at the

Mistletoe Bay Eco-Village. It really is the gift that keeps on giving.
